

**WE FIGHT
FOR A
STRONGER
MIAMI**

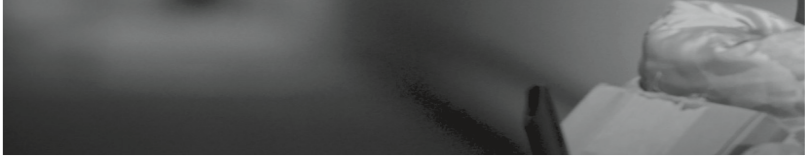

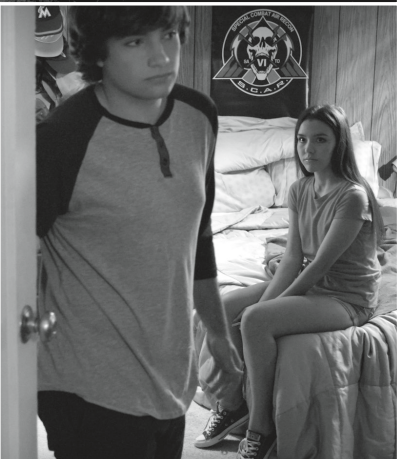

**WE FIGHT
FOR YOU**

58% of Miami-Dade households are either in poverty or one emergency away from falling into poverty.

109,780 children go to bed hungry in Miami-Dade. **One in seven seniors** must choose between rent, food or medication.

Together, we are the hand-raisers, the problem-solvers. We tackle the difficult issues and turn your contribution into real change. We unite individuals, employers, nonprofits, labor organizations and government agencies, in building a stronger Miami.

With your generosity, we find the needs in our community and address them by working with over 100 programs that promote education, financial stability and health, so that every person in Miami-Dade can have a fighting chance.

PLEASE HELP

GIVE - Your generosity fuels positive changes across our community.

ADVOCATE - Be a champion for change. Find your voice. Spread the word.

VOLUNTEER - Give of yourself. Give an hour. Give a day.

EDUCATION

The sooner children get on a path of learning, the more successful they will be throughout their lives. Our focus is to get all children off to a strong start and enter school ready to learn. By supporting every student academically and socially, we give them the developmental tools that will prepare them for a lifetime of success.

Helped 26,559 children and youth reach their full potential.

“Since my child received the early intervention help that he needed, he’s been unstoppable.”

– Ileana

FINANCIAL STABILITY

Empowering hard working individuals and families is essential to their success. Our goal is to connect them with the right tools, training and opportunities so they can become financially independent.

Served 18,804 families, helping them pave a path to financial independence.

HEALTH

Health influences everything we do, which is why we take a comprehensive approach. From improving health access to promoting healthy lifestyles, we help people of all ages maintain healthy, independent lives.

Empowered 36,512 individuals to lead healthy and productive lives by providing access to services to improve their physical, mental and emotional health.

YOUR CONTRIBUTION = REAL CHANGE

Your gift to the United Way Community Plan goes directly to support over 100 local programs and services in our community.
