In addition, the selected Proposer shall provide an annual summary to be completed by June 1 of each year detailing developments on significant issues and actions taken to address TPO priorities and the issues that are likely to emerge in the coming year.

2.2 Minimum Qualification Requirement
The selected Proposer should, at a minimum, possess: (i) a strong working knowledge of legislative, administrative, and regulatory processes at the state and local levels; (ii) a clear understanding of large urban areas, including specific knowledge of Miami-Dade County; (iii) a history of successful lobbying experience at the state and local levels; and (iv) a clear strategy for representing the TPO at meetings with key legislators and members of the Executive Branch.

2.3 Assignment of Work/Term
It is the TPO’s intention to solicit responses from interested parties, to evaluate the responses, and to award a contract to one (1) Proposer. The TPO reserves the right to request that the selected Proposer obtain services through subcontractors to supplement the expertise and resources which may be required at any given time and for the purposes of carrying out the intent of the requirements herein.

2.4 Requirements and Services to be Provided

A. Lobbying Ordinances and Resolution Requirements
The selected Proposer shall abide by and be governed by Miami-Dade County Ordinances and Resolutions, which may have a bearing on the services involved in any agreement(s) issued as a result of this Solicitation, including but not limited to, Section 2-11.1 of the Code of Miami-Dade County (Ordinance 72-82, Conflict of Interest Ordinance); Resolution No. R-1236-99 (Resolution Directing the County Mayor to Report Intergovernmental Activity by County Staff, Lobbyists, and Entities that Represent Miami-Dade County at the State and Federal Levels); Resolution No. R-232-01 (Resolution Instructing County Staff and Lobbyists to Limit Legislative Initiatives and Funding Requests to Those Approved by the County Commission); Section 2-11.1.2 of the Code of Miami-Dade County (Ordinance No. 00-64, Ordinance Relating to County’s Lobbyists); and Resolution No. R-56-10 (Resolution Setting Policy for Miami-Dade County that all Contract Lobbyists shall Obtain a Waiver from the Board of County Commissioners Prior to Representing any Client in any Forum that is Adverse to the County), all as such may be amended from time to time.

A person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the TPO for lobbying on behalf of the TPO shall represent any entity in any forum to support a position in opposition to a position of the TPO unless the TPO Governing Board grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the selected Proposer's contract being voidable by the TPO or (ii) a prohibition, for a period of up to three years, as determined by the TPO Governing Board in its sole discretion, on the selected Proposer entering into a lobbying contract with the TPO.

The selected Proposer, on behalf of itself and any and all employees, partners, and subcontractors, shall have an affirmative obligation to notify the TPO Executive Director in writing of each and every party the selected Proposer and/or its employees, partners, or subcontractors wishes to represent before the Florida Legislature, the Governor's Office, or any state agency, as well as the nature of the proposed representation. This obligation shall apply whether such party or interest is adverse to the TPO or not. Such notification must include all parties the selected Proposer, its employees, partners, or subcontractors wishes to represent.
Separate and independent from the above-referenced obligation, the selected Proposer, on behalf of itself and any and all employees, partners, and subcontractors, must advise the TPO Executive Director in writing of any position in opposition to a position of the TPO taken by the selected Proposer, any employee, partner, or subcontractor and request a waiver of such conflict by the TPO Governing Board or designee. A position in opposition to a position of the TPO may take the form of an adverse policy position or fiscal impact on the TPO, either direct or indirect. A position in opposition to a position of the TPO is not limited to a position that conflicts with an express provision of the legislative package adopted by the TPO Governing Board. It may also arise in other areas. Not every TPO interest can be anticipated or enumerated in the TPO legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the selected Proposer, employees, partners, and subcontractors to remain mindful of the TPO’s policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the selected Proposer and/or subcontractor must advise the TPO Executive Director immediately in writing and seek a waiver of the conflict by the TPO Governing Board, as appropriate.

Once a conflict waiver request has been received by the TPO, the TPO Executive Director reserves the right to determine whether the selected Proposer and/or employee, partner, or subcontractor may continue representing the TPO and the other interest until the TPO Governing Board can consider the conflict issue. The TPO Governing Board may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the selected Proposer, and/or employee, partner, or subcontractor to continue to represent both the TPO and the other party; (ii) refuse to grant a waiver and require the selected Proposer, and/or employee, partner, or subcontractor to choose between representing the TPO or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the selected Proposer and/or employee, partner, or subcontractor; or (iv) grant a limited waiver and allow the selected Proposer and/or employee, partner, or subcontractor to continue to represent both the TPO and the other party under whatever limitations or restrictions the TPO, in its sole discretion, determines to be appropriate.

The selected Proposer and each subcontractor shall prepare regular monthly reports advising the TPO Executive Director of the current status of all issues that the lobbyist is monitoring or tracking that may affect the TPO, the actions taken on such issues, and the recommendations for future actions on such issues. The selected Proposer and each subcontractor shall also raise, discuss and recommend any affirmative legislative action that may benefit the TPO. Also, all TPO contracts and subcontracts for lobbying or representation at the state level and/or individuals and firms hired to represent the TPO issues must be approved by the TPO Governing Board. As such, any subcontractors that the selected Proposer seeks to hire to fulfill the requirements of any contract issued as a result of this Solicitation must receive prior approval by the TPO Governing Board.

The selected Proposer’s and each subcontractor’s individuals registered as a contract lobbyist to lobby the State Legislature on behalf of the TPO shall be prohibited from lobbying the TPO Governing Board during the regular state legislative session. This does not prohibit individuals who are not registered as state legislative contract lobbyists for the TPO from lobbying the TPO Governing Board and does not apply to individuals lobbying on behalf of municipalities. The TPO staff shall provide each TPO Governing Board Member with a list at the beginning of each session of all TPO contract lobbyists registered to lobby the legislative branch at the state level on behalf of the TPO, and any subsequent changes or updates to such a list.
