MEMO

TO: All Building Officials in Miami-Dade County

**FROM: Francisco J. Quintana, R.A.,
Director Building Code Compliance**

DATE: November 1, 2001

SUBJECT: Testing Report Submittals

It has been brought to the attention of this Office that some test reports have been submitted to building departments without any indication that they comply with the applicable Testing Application Standard.

Please note that any test report submitted to a building department as part of the roofing permit application process, must not be accepted unless the test report clearly references and identifies that the test has been conducted in full accordance with the applicable Testing Application Standard.

If you have any questions regarding this issue, please contact Mr. Michael Goolsby of my staff at (305) 375-2901.
