MEMO

TO: All Building Officials in Miami-Dade County

**FROM: Francisco J. Quintana, R.A., Director
Building Code Compliance Office**

DATE: April 12, 2002

SUBJECT: Florida Building Code 2002 Edition Roofing Permit Application

At its March 21, 2002 meeting, the Board of Rules and Appeals (BORA) approved the Florida Building Code 2002 Edition High Velocity Hurricane Zone Permit Application form. The use of this form becomes mandatory for all roofing permits with an application date after May 31, 2002. This form was previously approved as an equal alternate to the Appendix E Uniform Permit Application form at the July 2001 BORA meeting.

- Between now and May 31, 2002 either form may be used.
- For roofing permits applied for under the provisions of the South Florida Building Code subsequent to May 31, 2002, either form may be used.
- For permits applied for after May 31, 2002 under the provisions of the Florida Building Code, only the Florida Building Code 2002 Edition High Velocity Hurricane Zone Permit Application shall be used.

The approved Roofing Permit Application forms are attached. If you have any questions regarding this information, please feel free to call Mr. Michael Goolsby at 305-375-2901.
