**FROM: Herminio F. Gonzalez, P.E.,
Director Building Code Compliance**

DATE: September 26, 2003

SUBJECT: Product Approval System

The State of Florida is implementing the Product Approval System on October 1, 2003. As of now, there have been no optional statewide product approvals that have been approved by the Florida Building Commission for use within the High Velocity Hurricane Zone. At this time, only Miami-Dade County Building Code Compliance Office Notice of Acceptances has been certified for use within the High Velocity Hurricane Zone.

Continue to use the Miami-Dade County Building Code Compliance Office Notice of Acceptances or any one-time approvals previously processed.

If you have any questions regarding this issue, please contact Mr. Theodore Berman, P.E., Deputy Director Building Code Compliance Office at (305) 375-2903.
