FROM: ^{for} Herminio F. Gonzalez, P.E.
Director Building Code Compliance 

DATE: November 4, 2005

SUBJECT: Florida Building Code 2005 Supplement Effective Date

The proposed November 1, 2005 implementation date of the 2005 Supplement has been delayed. An effective date has not yet been established. The Building Code Information System is currently posting the following notification:

Effective Date of the 2005 Supplement

We are in the process of filing the 2005 Supplement to the 2004 Florida Building Code with the Florida Department of State in accordance with Ch. 120, Administrative Procedure, Florida Statutes. As part of this process, the Supplement is subject to review by JAPC (Joint Administrative Procedure Committee). Therefore, at this time, we do not have an exact effective date for the Supplement. As soon as JAPC completes their review, and the Rule is filed with the State, we will know the effective date and we will post it on the web site.

Additionally, information regarding the revised implementation date will be provided as it becomes available.

If you have any questions, please contact Mr. Michael Goolsby of my staff at (305) 375-2901.
