\* Sites where soil arsenic concentrations from the 0-6" and/or 6-24" intervals appear consistent with background

Footnotes:

<sup>1</sup> Current version of the Site Assessment Guidance for Former Agricultural Sites in Miami-Dade County can be found here: <https://www.miamidade.gov/environment/research-reports.asp>.

<sup>2</sup> To access available case files and materials by permit number go to: <https://ecmrrer.miamidade.gov/hpi/search>

1. Under case number enter the permit number (e.g. AW-00199)

\*\*Please note you have to enter five numerical values, so AW-199 needs to be entered as AW-00199

2. Click search. Documents are dated sorted by default, but may be sorted by preference.
