Dear Ryan White Program Subrecipients:

Sent by Electronic Mail

Attached please find the **2022 Federal Poverty Level (FPL) Guidelines** (Annual Income Ranges), a local reference tool based on the table published in the Federal Register on January 12, 2022, by the U.S. Department of Health and Human Services (HHS). These guidelines are **effective March 1, 2022 through February 28, 2023** for the Miami-Dade County Ryan White Program Part A and Minority AIDS Initiative (MAI) Program Fiscal Year (FY) 2022, to determine client financial eligibility. Financial eligibility is based on the client's gross household income. The Provide® Enterprise Miami data management system had already been programmed with the updated FPL amounts on March 1, 2022.

It is essential that all persons involved in direct provision of services under your organization's Part A and/or MAI service agreements be notified of this update immediately. Adherence to these guidelines is required in order to ensure that Part A and/or MAI-funded services are provided to individuals who meet the local financial eligibility requirements for FY 2022. This update should be posted on our website (www.miamidade.gov/grants/ryan-white-program), under Service Delivery Manual, Section VI, Client Eligibility, by April 29, 2022. It will also be included in the FY 2022 Ryan White Program Service Delivery Manual, which is currently undergoing further updates.

If you have questions regarding the use of the poverty guidelines or eligibility requirements under the Part A/MAI Program, please contact me at 305-375-4742. Thank you for your continued cooperation.

Sincerely,
