Dear Ryan White Part A and/or MAI-funded Subrecipients:

RE: Ryan White Part A/Minority AIDS Initiative (MAI) Outpatient/Ambulatory Health Services Updates

On September 27, 2023, the Miami-Dade HIV/AIDS Partnership's Executive Committee approved significant changes to the following document, which is attached for your information and immediate distribution:

- Allowable Medical Conditions List

In this update, clarifications were added to Ophthalmology/Optometry and Podiatry. An additional condition was included under Podiatry.

This document is reviewed and revised periodically by the Miami-Dade HIV/AIDS Partnership (Partnership) and its Medical Care Subcommittee; or the Executive Committee when appropriate. It is imperative that this document is carefully reviewed and understood by direct service staff and conveyed appropriately to Ryan White Part A and MAI Program clients as appropriate. This document will be added to the local Ryan White Program website by Friday, November 3, 2023. To view this document on our website, go to www.miamidade.gov/grants/ryan-white-program, scroll down to the "Service Delivery Manual" box, click the "+" sign, then locate the document link in Section VIII for the Allowable Medical Conditions List. Where applicable, updates will be made to the County's Provide® Enterprise Miami data management system within the next two weeks.

The Primary Medical Care Standards and Allowable Conditions List are currently under review by the Medical Care Subcommittee of the Partnership for additional changes.

As a reminder, the Ryan White Program is payer of last resort. If a client qualifies for and can access a Ryan White Part A/MAI Program-allowable service from any other payer source(s), the client must obtain such service from the other source(s), not Part A or MAI.

If further clarification is needed regarding the information in this letter or the referenced changes, please contact Ana M. Nieto, Contracts Officer, at Ana.Nieto@miamidade.gov, or me, at Carla.ValleSchwenk@miamidade.gov. Thank you for your continued cooperation.

Sincerely,

Carla Valle-Schwenk
Program Administrator
